PORT OF SANTOS**

The Armada at sea & the “Bandeiras” on land

The navigators at rough seas and the Bandeirantes in the wild west dare to construct a fantastic history of territorial conquests and population which intertwined.

Educational Action: refers to “the people who come together to construct and share new knowledge, to investigate in order to better know, understand and transform the reality that surrounds us”.

Heritage Education: relates to all educational actions that take “anything related to our cultural heritage” into account”. - Site: www.iphan.gov.br
