## 10 - Lectures given in 2014/2015

The dissemination of this work has been accomplished through free lectures. Throughout 2014, ten lectures were given: **Cartagena das Indias**, Colombia; **Almeida**, Portugal, **Recife** (IPHAN/UFPE); **Rio de Janeiro**, two lectures (Army Board of Historical and Cultural Heritage); **Guarujá** (V Metropolitan Congress on the Environment and 12<sup>th</sup> National Museum Week); **Bertioga** (São João Fort); and **Santos** (Santista Academy of Letters, Santos Rotary Club, and the 21 Irmão Amigos Club). In 2015, fourteen lectures took place: **Santos** (Unisantos architecture course/Santos Engineers' and Architects' Society), **Rio de Janeiro** (Marechal Deodoro Historic House and the Military Club), **Guarujá** (City Hall and three lectures at the Santo Amaro Fortress), **Bertioga** (São João Fort), **Angra dos Reis** (at the National Meeting of Sailors). Two lectures were also held abroad, in **Veracruz, Mexico**- International Congress of Military Architecture, and in **Buenos Aires, Argentina**- Fortified Buildings of the Southern Cone Series. Some **iconographic exhibitions** were also held.

First lecture held abroad. Chair Bolivar  
 University of Santiago de Compostela, Spain, in 2005.
